What we guarantee

Guarantee of Quality

The 100% quality of our education is ensured by the unique combination of the Bauman teaching approach and modern corporate training technologies.

Guarantee of Result

The acquisition of knowledge is complete due to the quality control system, optimal numbers of trainees in groups as well as post-training support.

Guarantee of Financial Savings

The training investment will not be wasted even if the trainee quits the job or leaves on a business trip. We will enroll another employee free of charge.

Guarantee of Reliable Schedule

Study groups are planned a year ahead, lessons are delivered on schedule with no emergencies. It is possible to choose a convenient study time: morning, morning-afternoon, evening, weekend.

Guarantee of Security

Modern comfortable classrooms in A and B category business centres with pass entry system and security guards.
